“Blade” Points — No triangle method—using only squares

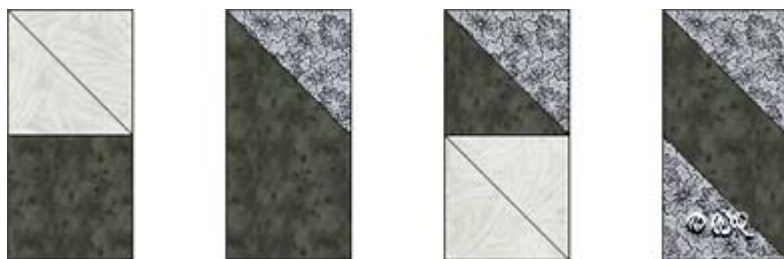

1. Draw pencil line, corner to corner on **wrong** side of small square
2. Place fabrics right sides together
3. Sew on drawn pencil line

4. Press to outer edge

Opposite Corners — No triangle method—using only squares

Follow steps 1 to 4 above for **method**, noting corner placement direction of resultant triangles, depending on your particular block pattern.

**** Note—(Optional):** You may wish to cut away extra fabric under triangles to reduce bulk.
